WILLARD

From the Record.

Mr. Desiderio Baca, pioneer of the state, passed away at his home in Willard Monday, December twelfth.

Mr. Baca was born in Tome, Valencia county, New Mexico, February 12th, 1857. He made his home in Tome from birth until five years ago at which time, his wife having preceded him in death, he came here to make his home with his children with whom he lived at the time of his death. The funeral services were held at the Our Lady of Sorrows church, where High Requiem mass was sung by Rev. Molinie, and interment was made in the Catholic cemetery of Willard Tuesday morning.

On December tenth Mr. and Mrs. Anastacio Torres gave the hand of their adopted daughter Miss Peregrina Sanchez to Mr. Enrique Sanchez, the groom elect, son of Mr. and Mrs. Eugenio Sanchez. The Spanish ceremony of presenting the bride elect to the groom is a very pretty and solemn ceremony and must be seen to be appreciated. This custom has been carried on for years and is a real Spanish custom. After the ceremony they had the customary engagement dance at which time the engagement was made known to their friends. The wedding ceremony will take place at Manzano on December 29.

On Wednesday the new piano arrived and was at once delivered to the school building.

Mr. and Mrs. J. A. Howell and Miss Harris entertained with a "500" party Friday evening, December 9, it being one of the most enjoyable affairs of the season. Those present were:

Lobbs, Clyde Miller, F. A. Snell and Ray Stevens. Mrs. L. E. Hanlon and Mr. Rousseau were the fortunate ones in winning the prizes, the ladies' prize being a hand made handkerchief and the gentlemen's prize a book of Tennyson's poems.

At a late hour refreshments were served, after which the guests departed assuring the host and hostess a very enjoyable evening.

Mr. Garland and R. Sanchez of Estancia were in town Saturday to meet their boys who returned on Santa Fe

train No. 21. The boys are about twelve years of age, and as we understand it, decided to leave home and go to South America. The fathers of the two boys missed them about five o'clock in the evening and phoned Deputy Sheriff Burt to detain the boys here. However the boys were on their way, and the officers at Vaughn were notified at which place they were found and returned to Willard on the afternoon train.

Joe Howell and a gasoline engine failed to agree Tuesday night and friend engine slapped him on the leg with the crank. At the time Joe did not think anything of it, but when he went back to the theater to start the show, he discovered he was actually hurt. Every man and woman would like to avoid the usual infirmities as they pass into old age. But until now it has been hardly possible without the help of the wonderful new medicine known as Garren's Tonic.

You have a right to be just as healthy, full of vitality and energy at seventy as you were at forty. And you can be now with the aid of Garren's Tonic.

This new product will offset the weakened condition in which dissipation of earlier life leaves you. It will completely "overhaul" your worn out stomach, blood and nerves. CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I am sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 65

YOU ESTANCIA!

Wish to prosper, to gain, to flourish. To this end you have organized commercial clubs and business associations. You advertise, you celebrate, you boost. This is all well, but after having gotten your industry what are you going to do with it?

Those seeking a location may be attracted by your noise, but they can only be caught by the demonstration of your attitude toward those industries you now have.

You have a creamery whose growth means much to the prosperity of dairying in your community. How would you answer to an inquiry as to the way you are purchasing its butter affects the decision of prospective manufacturers. This is a question prospective manufacturers will ask.

For your interest as well as our own—purchase Jersey Cream Butter. It is pasteurized.
